## InGauge Web Tool Login Instructions

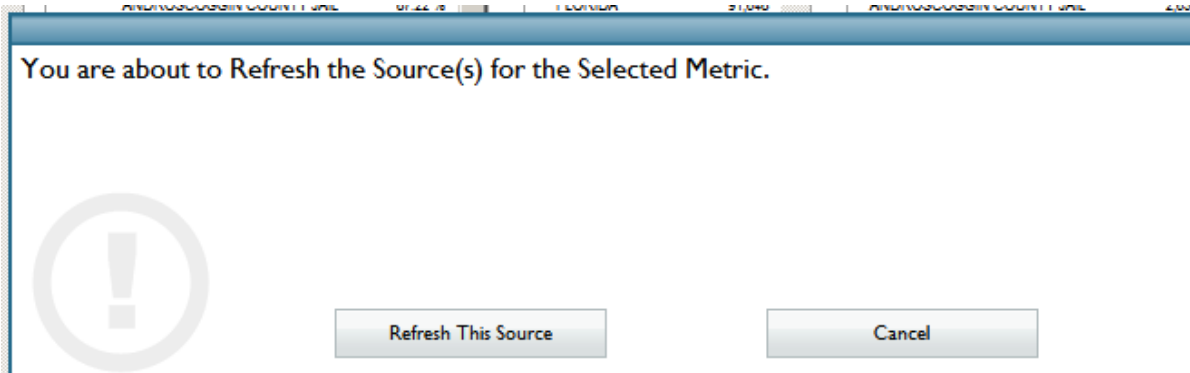

Please note: If you select a report and the following image appears, it means that the report needs to be refreshed before you can view it. Simply left click on the green circular arrow image(s) and select “Refresh This Source” and the report will refresh for your viewing.

If you need to refresh the system, right click in the report and a menu box will appear; select “Refresh Source.”

A second menu box will appear asking you to confirm your command for the system to refresh the report; select “Refresh This Source.”

You will see a box appear in the middle of the screen indicating that the report is refreshing.
